

The digital solution for the surgical care pathway

A support program for surgical patients

**Better prepared
patients**

**A more efficient
healthcare team**

**A smoother,
coordinated pathway**

Transform your patient information into
engaging, consistent and accessible
experiences.

The patient at the centre

ChirCoach supports patients throughout their journey, before and after hospitalisation.

WHY CHOOSE ChirCoach?

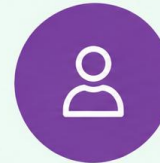

Validated content

Reliable and up-to-date information

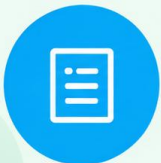

Better prepared patients

Informed and confident at every stage

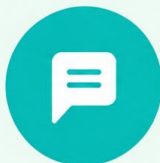

Greater patient autonomy

More independent after returning home

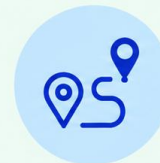

Consistent information

Aligned across all communication tools

Fewer repetitive questions

Reduced administrative burden

Continuous support

A coordinated care pathway

READY TO TRANSFORM PATIENT COACHING?

Let Vivactis transform your patient education materials into engaging digital experiences.

Let's discuss your next project!
